

# Raise the roof for housing

**Lay the foundation for housing for need not profit**  
Lend a hand to build a campaigning conference for housing  
in the year of the general election:

- Build good quality houses for social need
- Renovate a million homes
- Fill the empty homes
- Human rights in private renting
- End social cleansing
- End the bedroom tax

Left Unity invites all those directly affected,  
all housing campaign groups and committed  
housing campaigners to join us in Liverpool  
on 7 March 2015

Friends Meeting House  
22 School Lane  
Liverpool L1 3BT

Sat 7 March 2015  
11am–4.30pm

Could you be one of the  
founding sponsors of this  
conference?
