VOTE LEFT UNITY

The rich are getting richer and the poor are getting poorer. We're all paying for an economic crisis we didn't cause, while the richest 1% pocket big bonuses.

It's just not right – but the main parties all claim that this is the way our society has to be. Left Unity is standing in the elections to put forward a real alternative.

- Reverse the cuts: tax the rich and corporations to fund the welfare state
- £10 an hour minimum wage now
- Keep the NHS publicly owned and free, for people not profit
- Housing for all with rent controls
- Don't blame immigration for our problems – blame the bankers!
